Mr. Adan Trejo
CIBNOR, Mexico

Dear Adan,

On behalf of your director, advisor, and the juries of your thesis we wish to congratulate you for the outstanding academic performance that you showed in both executing the research work and the formal public presentation of the thesis.

This thesis is an outstanding master's thesis. Even if the regulations of the graduate school of CIBNOR do not permit a formal Honorific Mention of the research, we wish you to know that we would have recommend it if it was permitted. We wish that other graduate students will take this work as an example.

This was a research very well done.

We wish you success in your future endeavors.

Sincerely,

Dr. Felipe Ascencio

Dr. Luz de-Bashan

Dr. Concepcion Lora-Vilchis
